There is no deadline and we will be accepting submissions on a rolling basis. Please submit work that is already produced/published; proposals will not be accepted.

Submissions are strictly limited to A6 size (105mm x 148mm) books and publications – this helps us to manage space and the amount of admin time we can devote. Due to space limitations we will not be able to accept all submissions. Submissions will be reviewed by a panel made up of staff at the London Centre for Book Arts. Please be patient as we may take up to five weeks to get back to you about your submissions.

If your work is selected, it will be sold at our shop on sale-or-return terms which is 40% to the shop and 60% to the artist/publisher.

We are particularly interested in books or publications that have been conceived as artworks in their own right, and are inexpensive and produced in large or open editions rather than limited editions or unique books (to borrow from the submission guidelines of Printed Matter).
